STORY

It has been our pleasure to serve as one of Morbi's renowned tile companies. Monza is an ISO 9001:2008 & CE certified company. Since decade we have been procuring raw materials at Gujarat's Morbi region, the Ceramic hub of INDIA.

Our expertise dwells in manufacturing, plant maintenance, quality production and marketing of ceramic tiles. Deep understanding and knowledge of advanced technology from Italian ceramic machinery pioneer has enabled Monza to produce top class commodities.

Several lab tests are responsible for the unquestionable quality and fabulous finishing of each Monza tile.

However, though the Calibro Planar machine imported from Italy is no less than a magic by monitoring the dimensions and thickness of tiles.

Sincerest efforts of our employees and team members are something that keeps us going smooth and growing.
